1. Instructions:

- 1. Remove all rounds from the magazine.**
- 2. Hold the plate with your thumb (do not let go until the plate is fully removed).**
- 3. Hold the magazine upside down, so the floor plate will be upward.**
- 4. Insert the small pin on the tool so the tool will be on the front side of the magazine.**
- 5. Apply pressure on the tool so the tool will rotate and remove the plate.**
- 6. Hold the spring plate with your thumb and release it slowly so the spring would not harm anyone.**

2. safety:

- **WARNING: Make sure that your weapon is in "safe" mode before using the product. Make sure the magazine is out of the mag well the pistol has no round in the chamber.**

Remove all rounds from the magazine.

3. Warranty:

Responsibility for IMI DEFENSE products, including lifespan, for a reasonable use, IMI DEFENSE believes in the quality of its products and believes in the sophisticated production capabilities accumulated over many years.
