Table 1: Light Orb		Table 2: USB Magnetic charging cable	
White Light		Cable length	0.5m
HIGH	240 lumens	Input	USB-A 5V 1A
LOW	0.8 lumens	Output	USB-C 4.2V±0.05V 1.0A
Colored Lights (Factory Default)		Time to fully charge	About 3 hours
MODE 1 HIGH	10 lumens		
MODE 2 HIGH	10 lumens		
MODE 3 HIGH	15 lumens		
MODE 4 HIGH	9 lumens		
MODE 5 HIGH	12 lumens		
MODE 6 HIGH	4 lumens

Exclusion clause

Olight is not liable for damages or injuries sustained resulting from the usage of the product as described in the manual, including but not limited to using the product inconsistent with the recommended lock mode.

This device complies with Industry Canada licence-exempt RSS standard(s).

Operation is subject to the following two conditions:

(1) This device may not cause interference, and

(2) This device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR (Industrie Canada applicables aux appareils radio exempts de licence). L'exploitation est autorisée aux deux conditions suivantes:

(1) L'appareil ne doit pas produire de brouillage, et

(2) L'utilisateur de l'appareil doit accepter tout brouillage radioélectrique susceptible, même si le brouillage est susceptible d'en compromettre le fonctionnement.

FCC STATEMENT:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and

(2) This device must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following:

WARRANTY

WITHIN 30 DAYS OF PURCHASE: Contact the original seller for repair or replacement.

WITHIN 2 YEARS OF PURCHASE: Contact Olight for repair or replacement.

This warranty does not cover normal wear and tear, modifications, misuse, disintegration, negligence, accidents, improper maintenance, or repair by anyone other than an authorized retailer or Olight itself.
